

**EAST MANCHESTER COMMUNITY BOAT PROJECT  
"COMMUNITY SPIRIT 2"**

**COVID-19 - PASSENGER SAFETY ADVICE**

- . The skipper and crew will introduce herself/himself to you
- . The skipper is in charge of the boat, the crew and the passengers at all times
- . One crew member will remain on the back deck, the second crew member will remain on the front deck
- . Please respect social distancing with crew members at all times
- . Do not run whilst on board
- . Do not lean over the front deck parapet and keep heads, hands and legs inside the boat at all times
- . Do not go on to the back deck
- . Two passengers may go on the front deck - children must be accompanied by an adult
- . We advise children (especially non-swimmers) under the age of 11 to wear a life jacket whilst on board
- . Life jackets are available for all passengers
- . Smoking (including electronic cigarettes) is not allowed inside the cabin
- . Smoking is permitted on the front deck
- . Hand sanitisers are available on board for passengers' use
- . Alcohol and drugs are not permitted on board the boat - any passenger considered intoxicated or to have taken drugs will be asked to leave the boat
- . Please confirm to a crew member that none of the passengers are exhibiting Covid-19 symptoms
- . Please notify us if any of the passengers develop symptoms of Covid-19 up to seven days following the trip
- . Please confirm to a crew member that the passengers are family members and/or a permitted bubble, that none are shielding or classed as clinically vulnerable and that none are required to shield or self-isolate
- . Please take all your personal possessions with you when you leave the boat.

***THANK YOU FOR UNDERSTANDING - WE HOPE YOU ENJOY YOUR TRIP!***
